

A photograph of a road with a yellow diamond-shaped traffic sign on the right side. The sign is blank. The background shows a road with a yellow center line, green trees, and a clear sky. The text 'Traffic Signage and Safety Committee' is overlaid in white, serif font, with a white underline. The entire image is framed by a white, hand-drawn style border.

# Traffic Signage and Safety Committee

---

# TSS Overview

---

TSS Committee has authority to designate, place and maintain traffic control devices and regulate traffic calming within the City. All signage, traffic calming, temporary street closures (not related to active construction) and any other traffic control issues are addressed before this Committee.

TSS Committee approval does not exempt any person/group from the regulatory city permit/project processes.

To learn more about our process and decision making, please read over the [Traffic Management Policy](#).

Prohibited, limited, or restricted parking on a temporary or permanent basis

Installment of any MUTCD regulatory signage for parking, speed limits, no access, school zones, etc.

Street closures for special events and/or race/runs

Special approval for crosswalks (standard or mid-block)

Excessive speeding complaints for residential areas

# General Information

- TSS Webpage: <http://bentonvillear.com/1406/Traffic-Signage-and-Safety-Committee>
- No official signage shall be placed(post construction) on any street without the approval of TS&S Committee. All traffic control devices must conform to the MUTCD Standards/Regulations.
- This committee meets the first Monday of each month at 2:00 pm, unless there is a holiday. A [Traffic Safety Application Form](#) must be completed and turned into the Transportation Department ten (10) business days in advance of the meeting to be placed on the meeting's agenda.
- [Neighborhood Petition](#) is required from four(4) separate residents in the impacted area.
- Meeting Location: 305 SW A Street, City Hall - Council Chambers

# Traffic Control/Event Permits

Special Events, Filming Request and Road/Trail/Sidewalk Closures

---

Special Events may require several permits depending on location and closures. All permits are applied for via [eTrakit website](#) after receiving TSS Committee approval. Approved TSS Committee minutes and any attachments (race routes, street closure, etc.) should be uploaded with the permit submittal.

See city webpage: [Special Events/Filming Request](#)

[Right of Way \(Work Zone\) Permit](#) – required for all closures related to roadway, sidewalk, parking spaces, and trailways

[Conditional Use Permit](#) – requires Planning Commission approval

[Operational Permit](#) – required through Building & Fire Safety

---
